LE CHANGEMENT CLIMATIQUE EN FRANCE
ET LE RÔLE DE LA NATURE

WHO AM I?

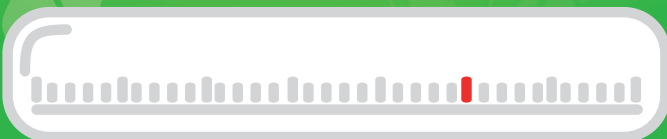

PREHENSILE TAIL

STRONG PAWS AND CLAWS PROVIDE AN
EXCELLENT CLIMBING
GRIP

TUFTS OF LONG HAIR
BEYOND THE TOPS OF EARS

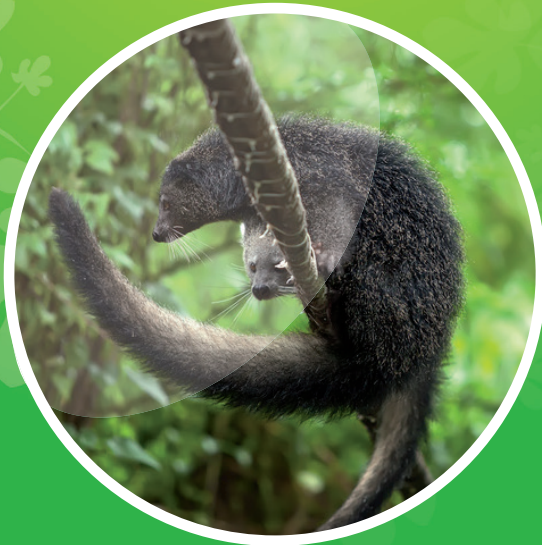

1M40 - 1M60

WHERE TO FIND ME ?

AS AN ARBOREAL SPECIES, I LIVE IN INTACT FORESTS
UNAFFECTED BY HUMAN ACTIVITIES.

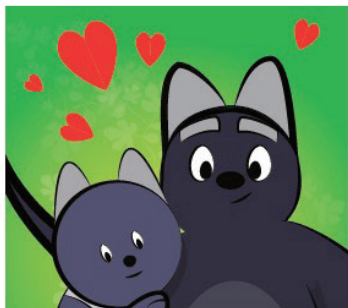

WHAT DO I LIKE TO EAT ?

BY EATING FRUIT, I PARTICIPATE IN SEED DISSEMINATION
AND CONTRIBUTE TO THE RENEWAL OF THE FOREST.

THE STORY OF MY LIFE

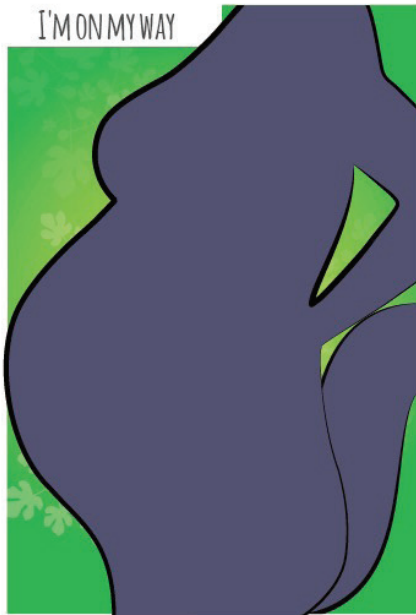

MOM AND DAD

90 DAYS LATER...

I CAN HAVE UP TO
4 STIBTINGS

I'M ON MY WAY

0 TO 3 DAYS

MY EYES REMAIN
CLOSED

DAY 10

I CAN FINALLY
SEE

DAY 25

MY TEETH ARE
GROWING

AND 45 TO 60 DAYS

I CAN FINALLY
EAT

I'M ONE YEAR OLD, FREEDOM!!

BYE MUMMY!

I CAN LIVE ABOUT 13 YEARS ON AVERAGE

BEING A BINTURONG ISN'T ALWAYS EASY!
SOMETIMES, WALKING THROUGH MY FOREST,
I MEET PREDATORS

DHOLE

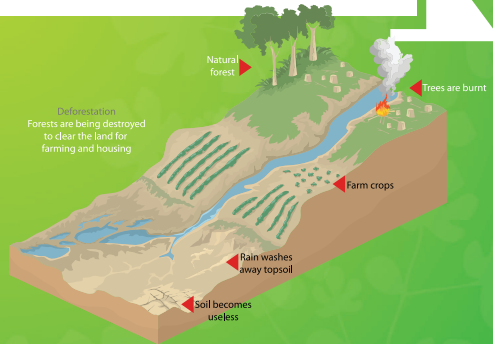

TIGRE DE SUMATRA

THESE ARE MY NATURAL ENEMIES

BUT OFTEN, DANGER COMES FROM ANOTHER SIDE:

→ THE FOREST DISAPPEARS...

→ ...I'M CAPTURED AND TURNED INTO A PET...

→ ...AND SOMETIMES PEOPLE EAT ME

SADLY I'M NOT THE ONLY ONE.
BY PROTECTING ME, YOU'LL PROTECT OTHER SPECIES

ORANGUTAN SUMATRA

PANGOLIN

CLOUDED LEOPARD

GIBBON
